

About Electronic Merchant Systems

Since 1988, Electronic Merchant Systems has grown to become a leading provider of merchant processing services and electronic transactions. The company operates in over 100 U.S. cities and the Virgin Islands. EMS corporate headquarters are located in Cleveland, Ohio.

EMS continues to drive the payment processing industry through a vast array of customized services and innovative products. We process and safeguard many types of electronic payment transactions including all major credit cards, debit cards, EBT, stored-value, and electronic check services.

About EMS Payment Solutions

Founded in 2003 and located in Westlake, Ohio, EMS Payment Solutions is an independent sales office (ISO) of Electronic Merchant Systems (EMS) located in Cleveland, Ohio. EMS Payment Solutions is a full service payment processing company providing businesses throughout the United States, Puerto Rico and the Virgin Islands efficient and economical alternatives to payment processing.

EMS Payment Solutions provides merchant services to any business already accepting bankcards as a form of payment, as well as any business considering accepting bankcards as a form of payment. Our merchant services include bankcard rate analysis and setup, various choices of equipment and short-term merchant funding against future bankcard sales. In addition, we can establish both eCommerce and check payment solutions, provide mobile bankcard processing and specially design and tailor a gift and loyalty program for any business.

We provide businesses everything they need to establish, maintain and manage an efficient and economical payment processing system. This includes experienced professional advice to assist in making the correct choices for their business, a full line of quality products and services and a reliable 24X7X365 customer support staff. By providing these services, EMS Payment Solutions is committed to maintaining a strong relationship with its customers by helping them strengthen relationships with theirs.
